What to look forward to:

We relax! Revel in the peace of the beautiful lodge and deck overlooking Lake Crescent; read, talk, think, write, and dream.

We camp! All sleeping accommodations are in group cabins with bunk beds. Restrooms and (hot) showers are in separate buildings. The terrain is hilly and unpaved and cabin accommodations are rustic. If you will not be comfortable in this type of setting, the Womanfest Fall Retreat may not be the right gathering for you.

We feast! Healthy, mostly vegetarian meals, snacks, coffee and tea, are provided.

We play! Hike, swim, canoe, make music, dance, and play games - in good company.

We share! Bring *a few* special items (books, clothing, trinkets, mugs) that you have used and loved and are now ready to pass on for another woman to enjoy.

We create! This year's retreat will include a featured performance and a creative craft activity.

Do you have a craft, skill, or talent you'd like to share? Would you like to volunteer to organize an activity or entertainment? Let us know!
