What to look forward to:

We relax! Revel in the peace of the beautiful lodge and Lake Crescent. Read, talk, think, write, and dream.

We camp! All sleeping accommodations are in group cabins with bunk beds. Restrooms and showers are in separate buildings. The terrain is hilly and unpaved and cabin accommodations are rustic. If you will not be comfortable in this type of setting, the Womanfest Fall Retreat may not be the right gathering for you.

We feast! Healthy meals, vegetarian options, snacks, coffee, tea provided.

We play! Hike, swim, canoe, make music, dance, and play games - in good company.

We share! Bring a few special items (books, clothing, trinkets, mugs) that you have used and loved and are now ready to pass on for another to enjoy.

Do you have a skill, or talent you'd like to share? Would you like to volunteer to organize an activity or entertainment? Let us know!
